HDT strives to get younger students home as quickly as possible during tech week for all shows. However, please know that rehearsals will occasionally run over due to starting late, tech work, and polishing of pieces. We will try very hard to end rehearsals as promptly as possible. If your child must leave prior to being dismissed please have a parent notify the instructor and/or choreographer; however, please do not leave without directly speaking to an HDT instructor.

The majority of all younger students at HDT will learn choreography in their assigned classes. Please help this process by keeping regular attendance as well as keeping HDT informed of necessary absences.

Huntington Dance Theatre reserves the right to make changes and alterations to this master schedule when necessary. All students and parents will be notified in person, on the rehearsal board and via email and/or other online resources.
